RE: Spring Cup 2007

Ladies,

The Round Robin has a new format and name. Starting this year, your club will be able to send as many two-women teams as you can field. This tournament will have multiple rounds, starting in early May. After each round, half of the field will be eliminated. The half with the lowest net scores will continue on to the next week. As the SNEWGA representative all you will need to do is get the teams signed up and the names and information sent to me. You will no longer need to find people to play each week. If any team needs to find a substitute, for any week's play, you can help, but it is their responsibility to find a replacement. This should make it much easier for all of you.

Attached are sheets pertaining to the new Spring Cup (formerly known as the Round Robin). I need to know if your clubs will be participating this year. If you are, please let me know whether your club wants to play on weekdays or weekends. All teams from your club must play on the day you choose.

I know many of you have not had your first meetings this year and will not know who wants to play. However, if you have a guess as to the number of teams you think will participate, that would be helpful. I have sent along a sign up sheet for you to use once your clubs are up and running for this season.

If you have any questions, please let me know.

Thank you.

Barbara
