**Eligibility:** A contestant may be any amateur woman golfer who has a USGA handicap index of 17.4 or below, who is an active member of one of the NEWGA member state associations and is a legal resident of one of the six New England states. NEWGA Associations may invite non-members who are residents of their state and have a handicap index that meets the entry requirements. A Junior is any girl who is a resident of the respective state and has not reached her 19th birthday by the opening day of the tournament. A Junior of 18 years of age is eligible only if she has not yet begun her first semester of college. A Junior does not have to be a member of a NEWGA member club, but must have a USGA handicap index of 17.4 or below. Parents and guardians are NOT allowed to caddie for Juniors. Seniors must be 50 years old and Legends must be 65 years old by the opening day of the tournament.

**Tournament Info:** Each state has a quota of 18 players. The total field will be 108 players for 36 holes and then cut to the 70 (low score) players (including ties) for the final round of play including anyone within ten shots of the leader in the player's respective category. Players are chosen based on lowest handicap by index as of USGA Handicap Revision effective May 29, 2009. A "Wait List" for greater than 18 applicants from a state is created by handicap index for each state after all states have entered their player lists. If a state is unable to fill its allotted positions, the unused positions will be divided equally among the states that have a waiting list.

**Distance Measuring Devices Allowed (USGA accepted)**

Make checks payable to **NEWGA** and mail with the entry form to:
