- **Tournament Information:** Each state has a quota of 18 players. The total field will be 108 players for 36 holes and then cut to the 70 (low score) players (including ties) for the final round of play, including anyone within 10 shots of the leader in the player's respective age category. Players are chosen based on lowest handicap by index as of USGA revision effective June 15, 2013. A "Wait List" for greater than 18 applicants from a state is created by handicap index for each state after all states have entered their player lists. If a state is unable to fill its allotted positions, the unused positions will be divided equally among the states that have a waiting list. The use of distance measuring devices will be allowed during this Championship by local rule.
