

2008

Dear SNEWGA Club Representative,

With this good weather, it's a good time to start thinking of **green fairways** and "holes-in-one"!

First things first - SNEWGA's request for your club's annual membership renewal and updated member information. I have attached a 2008 SNEWGA Information Sheet for your club. **Please fill it out and return it to me with the annual club membership fee of \$30.**

*Returning the information by **February 20** will insure that your club's most current information will be included in the 2008 SNEWGA Annual Directory.*

I have attached a list of 2007 members from your club. **Please check it carefully for accuracy and completeness, update it for 2008 to the extent you can, and return it to me with membership dues by March 1.** Returning it by this date will allow us to distribute the SNEWGA Annual Directories and membership cards to you at the Spring Meeting (*date TBD*). We would like to compile an accurate list of members, their GHIN numbers, and contact information; your help is essential and appreciated.

Your SNEWGA board has voted to keep the individual membership fee unchanged this year-- it remains at \$10 if received by April 30. After this date, a \$5 late fee will be charged (*new members can join at any time without paying a late fee*). No membership books will be distributed unless this late fee (if applicable) is included in your payment.

One further note: SNEWGA board is committed to holding more weekend tournaments in 2008, and will continue the very successful Spring Cup format that takes place both on weekends and weekdays. There will be more opportunity in 2008 for your club to participate in weekend tournaments – please ensure that your club members are aware of this and sign up for 2008!

If you think that a visit by me or another board member might help you recruit more SNEWGA members, or encourage greater participation by those who are already members, please let me know. I, or another board member, would be delighted to extol the virtues of SNEWGA-- perhaps at your spring orientation meeting. I look forward to hearing from you. Please don't hesitate to call me with questions or comments.

Thanks for all you do,

Donna Pauzé
